Hi Mark,

Please advise **project name** and **Mosa Color number EX(206)** for your samples needed.

Terra Tones are sold in a unit(Set) of 3 Cartons, 1 Carton per Tone X (light), Y (medium), & Z (dark) to be installed at random.  
Each shade is sold in equal carton quantities.

With that being said we would love to provide samples we have 6x6 available in the Set(3 pcs).

Thank you,
